

Urban Deer Hunt Program Application

Purpose: The Arkansas Game and Fish Commission (AGFC) supports the use of regulated hunting as the most effective and efficient way to manage wildlife populations. As part of a cooperative effort, the AGFC will provide technical assistance and regulation framework in order to aid municipalities wishing to manage urban deer populations and/or address urban deer issues through the use of archery hunting. The AGFC recognizes that each municipality varies greatly with regards to its governance, population, demographics, land-use patterns, and to the acceptance of urban deer management. Therefore, the AGFC has established an urban deer hunting program which may be adapted to meet the municipalities' needs.

Additional urban deer hunt rules defined by the city:

1. All property in FFB urban deer hunt is private - hunters must have written permission to hunt anywhere
2. Hunt at least 150 yards from any house
3. Developed subdivided neighborhoods are NO HUNTING areas as designated on hunting map
4. Areas within 150 yards of any house are NO HUNTING areas
5. Hunters must have name and phone number on stands feeders and cameras

Cities participating in the Urban Deer Hunt Program will be required to:

- Provide a completed and signed urban hunt application to the AGFC by May 15th.
- Conduct an urban hunt orientation for its hunters prior to its hunt.
- Provide hunters will a list of "Rules of the Hunt" for their city.
- Issue vehicle dash placards to its hunters which legibly show the hunter's name, address, phone number, and date of birth.
- Issue urban hunt tags to its hunters and record all necessary information requested on the urban hunter registration ledger (provided by the AGFC).

Urban Deer Hunt City Approval Signature: By signing, the city agrees to participate in the 2019-2020 Urban Deer Hunt Program and enter into a partnership with the Arkansas Game and Fish Commission. The city also agrees to the hunt guidelines outlined above and to those outlined in the Urban Deer Hunt Program Protocol. The implementation of any pre-hunt qualification will be the responsibility of the city.
