

Arkansas Game and Fish Commission

- 9) Will you require your hunters to have passed the International Bowhunter Education Program (IBEP)?  Yes  No
- 10) The approved time frame to conduct an urban deer hunt is September 1<sup>st</sup> - February 28<sup>th</sup>.  
What dates will your city conduct its hunt this season? September 1 - January 31

**Additional urban deer hunt rules defined by the city:**

1. All property in FFB is private - must have written permission to hunt anywhere
2. Hunt at least 150 yards from any house.
3. All subdivided neighborhoods are NO HUNTING areas
4. Hunters must have name and phone number on stands feeders and cameras
5.

**Cities participating in the Urban Deer Hunt Program will be required to:**

- Provide a completed and signed urban hunt application to the AGFC by May 15<sup>th</sup>.
- Conduct an urban hunt orientation for its hunters prior to its hunt.
- Provide hunters with a list of "Rules of the Hunt" for their city.
- Issue vehicle dash placards to its hunters which legibly show the hunter's name, address, phone number, and date of birth.
- Issue urban hunt tags to its hunters and record all necessary information requested on the urban hunter registration ledger (provided by the AGFC).

---

*Urban Deer Hunt City Approval Signature: By signing, the city agrees to participate in the 2018-2019 Urban Deer Hunt Program and enter into a partnership with the Arkansas Game and Fish Commission. The city also agrees to the hunt guidelines outlined above and to those outlined in the Urban Deer Hunt Program Protocol. The implementation of any pre-hunt qualification will be the responsibility of the city.*
